

Student A

TASK FOUR: PAIR DISCUSSION

You will be given a picture. You have to respond to the issue represented in the picture and discuss it with a partner. Your partner has the same picture. You have 2 minutes to look at the picture and prepare for the discussion. You are expected to:

- *identify the problem / state the issue represented in the picture (Student A);*
- *exchange opinions with the partner about the issue;*
- *justify your opinion, provide arguments;*
- *relate the issue to your own experience or knowledge, give examples;*
- *summarise and conclude your discussion (Student B).*

Note: if you start the discussion, your partner will have to complete the discussion and vice versa.
